The Adult Lecture Series for Spring 2011 begins with Rev. Allen Deck, S.J. Fr. Deck currently serves as Executive Director of the Secretariat of Cultural Diversity in the Church at the United States Conference of Catholic Bishops (USCCB) in Washington, D.C. At least a third of young Catholics have distanced themselves from the Catholic Church. Fr. Deck will place this trend into perspective and develop a vision of the Church's response to this challenge based on the New Evangelization. Anyone concerned about the vitality of our Catholic faith today will find this a stimulating vision of the way forward. Join us for this timely and informative lecture. Continuing education credit is available for priests, deacons and catechists. The lecture is free, though free-will offerings will be graciously accepted. All are welcome to attend. Bring a friend. **PASTOR'S CORNER**  
**Fr. Lou Vallone**

Everybody seemed to get a kick out of last week's Pastor's Corner and the play on words. So here is another one. (Winter is lasting far too long and we need all the light-heartedness we can get.) I am a member of Mensa and this was a competition run for the organization. (I didn't win anything.) Here's the Washington Post's Mensa Invitational which once again asked readers to take any word from the dictionary, to alter it by adding, subtracting, or changing one letter, and to supply a new definition.

1. Cashtration (n.): The act of buying a house, which renders the subject financially impotent for an indefinite period of time.
2. Intaxication: Euphoria at getting a tax refund, which lasts until you realize it was your money to start with.
3. Reintarnation: Coming back to life as a hillbilly.
4. Bozone (n.): The substance surrounding stupid people which stops bright ideas from penetrating. The bozone layer, unfortunately, shows little sign of breaking down in the near future.
5. Giraffiti: Vandalism spray-painted very, very high.
6. Sarchasm: The gulf between an author of sarcastic wit and a person who doesn't get it.
7. Inoculate: To take coffee intravenously when you are running late.
8. Osteopornosis: A degenerate disease. (This one got extra credit.)
9. Karmageddon: It's like, when everybody is sending off all these really bad vibes, right? And then, like, the Earth explodes and it's, like, a serious bummer.
10. Decafalon (n.): The gruelling event of getting through the day consuming only things that are good for you.

*continued next column . . .*

11. Dopeler Effect: The tendency of stupid ideas to seem smarter when they come at you rapidly.
12. Arachnoleptic Fit (n.): The frantic dance performed just after you've accidentally walked through a spider web.
13. Beelzebug (n.): Satan in the form of a mosquito, that gets into your bedroom at three in the morning and cannot be cast out. (I wish this were mine!)
14. Caterpallor (n.): The color you turn after finding half a worm in the fruit you're eating.
